

ASSIGNMENT 2_OUTPUT

1. Save data to database

```
Problems @ Javadoc Declaration Console X
<terminated> StudentMarks [Java Application] C:\Users\aisya\p2\pool
Please choose:
1. Save data to database
2. Get data from database

Insert your choise: 1

Insert student data
Student ID: 207702
Name: Alia
Department: Network
Math mark: 100
Science mark: 97
```

Before:

Result Grid					
Filter Rows:					
	id	name	department	math_mark	sc_mark
▶	207704	Aisyah	SE	99	90
*	NULL	NULL	NULL	NULL	NULL

After:

Result Grid					
Filter Rows:					
	id	name	department	math_mark	sc_mark
▶	207702	Alia	Network	100	97
	207704	Aisyah	SE	99	90
*	NULL	NULL	NULL	NULL	NULL

2. Get data from database

<terminated> StudentMarks [Java Application] C:\Users\aisya\.p2\pool\plugins\org.ecl

Please choose:

1. Save data to database
2. Get data from database

Insert your choise: 2

Enter student id: 207704

ID: 207704

Name: Aisyah

Department: SE

Math: 99

Science: 90

Data in database

Result Grid				Filter Rows: <input type="text"/>	Edit:
